Covenant Violations

Powderhorn, we STILL need your help.....

We have received complaints regarding homes with **unkempt lawns, trash cans in view of the road, moss on roofs, tree stumps that have not been removed**, etc.

It seems that many of these items still have not been taken care of so the board will begin mailing out violation notices to those who are violating the Powderhorn covenants. PLEASE take care of these issues as quickly as possible. We all want to live in a nice neighborhood and we need everyone's help in doing that.

A copy of the Powderhorn By-Laws and Covenants may be found on our website located at **www.powderhornsc.org**.

Parking Along the Streets

Just a reminder to PLEASE refrain from parking along the streets if you can avoid it. If multiple cars are parked on one side of the road, it makes it difficult for cars to get around them when cars are coming from both directions.

Per Simpsonville's Code of Ordinances:
Sec. 34-82. - Blocking streets and alleys.

No person shall stop, stand, or park any vehicle upon a street other than an alley, in a manner or under conditions as to obstruct the well-traveled portion of the roadway, except that a driver may stop temporarily during the actual loading or unloading of passengers or when necessary in obedience to traffic regulations or traffic signs or signals of a police officer.

Please remember to be considerate of other homeowners, visitors and/or emergency vehicles as to where you park.
